Choose two options for which to write 2-3 paragraphs on your own paper.

Write the letter of the option you have chosen below.

A. You were the lucky winner of a vacation to anywhere in the world! You have just returned from the vacation. Write a journal entry about your vacation. Tell where you went, with which three family members you went, what three sights you saw, and what three things you did. Talk about the people that you met while on this vacation and if you're going to keep in touch. Tell where you plan to go on your next vacation.

B. Yesterday was your friend's quinceañera. You attended the birthday celebration. You wore very elegant clothing and gave her a meaningful gift. Write an email to your grandmother telling her about the clothing that you wore and the gift that you bought. Include two clothing items that you wore and in what type of stores you bought them (also how much they cost you). Describe the color of the clothing. Tell what two gifts you bought for your friend and how much you paid for each gift. Tell your grandma what you want for your next birthday and where she might be able to get it.

C. You had the opportunity to see your favorite musical artist in concert with one other person. Name the favorite musical artist you had the chance to see, and describe why you enjoy this artist's music so much. Then write about how you got to the concert, who opened, what songs were sung, and any other miscellaneous events that can better describe the experience as a whole. Speak about your seats, what types of people (what they wore, how they acted, etc.) you saw and who you went with.

D. You ate at your favorite restaurant. You ordered your favorite foods and saw your favorite server. Name your favorite restaurant and why you enjoy it so much. Describe three foods you and your family/friends ate and three drinks you and your family/friends drank. Also tell what you ate for dessert. Describe what the server looked/looks like and what his/her personality was/is like.
